# STRIKING

The union demands that the company retract the dismissal (“non-renewal”) of union member Matt Wiegand and continue his employment.

We ask that you join us in our efforts to maintain working conditions at Berlitz.

To go on strike with us, you must be a member. Visit [BerlitzunionTokyo.work](http://BerlitzunionTokyo.work) to apply!

Should you be asked to cover a lesson that Begunto is striking during your free/break time or open contract time, we ask kindly that you politely decline to teach that lesson.
